How to Measure Discards
fish610.4 Discard Considerations of EAFM

Haley Frater

February 12, 2018

Learning Objectives

Types of Data Used

- How the data is collected
- Types of data collected
- Discard database
- Discard calculations

Data Collection Issues

- Issues with data inclusiveness
- Variability issues
- Correlation issues
- Sampling issues
- Solutions

Issues Associated with Discard Rate

- Discard rate assumptions
- Issues with the landing/discard correlation
- Issues with data resolution

Extrapolation Issues

- Ways to extrapolate or raise the data
- Extrapolation issues
- Solutions

Incorporating Discards into Assessments

- Why discards should be incorporated
- Incorporation into stock assessments
